PROGRESSING ONWARD...

TO HIGHER LEARNING

Freshmen

Eye Nature's walks, shoot folly as it flies,
And catch the manners living as they rise,
Laugh where we must, be candid where we can;
But vindicate the ways of God to man.
Say first, of God above or man below,
What can we reason but from what we know?

SLAVE
DAY

Juniors

"In that struggle between intellectual freedom and its enemies, I hope you will enlist for the duration of the war--which means for the duration of your lives. But it is the danger from within I wish to emphasize. If confusion and the lowering of standards go on increasing in the world about us, we can keep our commonwealth an island of safety only if we look the danger squarely in the face and summon all our intelligence and energy to meet it. What is to save us? What but honor? One might call it conscience or duty or responsibility or by some other name, but whatever it is called, it is indispensable."

Student Government Board

Each member of Student Government Board is elected by the whole student body. The board is, therefore, a cross section and equal representation of the student body which promotes a wide range of opinion on student affairs. The theory of the association is the perpetuation of self-government. Each member is responsible for preserving and furthering the practices of good citizenship and personal honor. Association with and membership on the board gives students valuable training in becoming student leaders and future leaders in the world. Greater association and co-operation of student body and faculty is encouraged and secured by the ideals and hopes established by the board.

There Is Art In Science

And Science In Art

Introduction: A Metaphore

From year to year, as a seedling receives benefits from its environment, it grows in height, and depth, and breadth. As its trunk becomes stronger, it adds new branches. With the addition of new branches, more and more leaves come forth. When it reaches maturity, it begins to bear fruit. The seeds are caught by the winds and spread, some to land on barren ground, others on fertile soil. If the land is barren, the seed will wither and die. Only on fertile soil will the seed become rooted and grow.

Freshmen

New school, new campus, new faces, new friends, new problems -- schedules that somehow seemed to have had built-in conflicts and uppermost on our minds at all times was the topmost problem of all -- "The Green Beanie". But this we know; somewhere, right now, is a class of freshmen to be who will tip their "Beanies" to us! Just wait until next year!

ROW THREE: David Reinhartsen, Richard Stegman, Charles McIntosh, Karl Anderson. ROW TWO: Louis Spomer, Ronald Lindstrom, Ronald Larson, James McBride. ROW ONE: Kenneth Null, Fred Freeman, Joel Schwartz, Raymond Ramsby.

Freshmen

ROW FIVE: Spencer Sealander, Richard Holmquist, James Kime. ROW FOUR: Donald Landstrom, Gary Schbacker, Jimmy Johnson. ROW THREE: Lawrence Forsell, Bruce Snively, David Pike. ROW TWO: Richard Johnson, David Hammer, Dale Fitzgerald. ROW ONE: Thomas Kampmeier, Lowell Carlson, Dean Munson.

Freshmen

ROW FOUR: Russell Emerson, John Speiser, Robert Talbot, Mario Magnella. ROW THREE: Rogelio Gonzales, Jerry Sarver, John Freeman. ROW TWO: Michael Montaleone, Walter Boston, Donald Pearson. ROW ONE: Charles Farrar, David Darrow, Marvin Tepper.

Sophomores

The Sophomore year is a good year: the air of strangeness is long since gone, that was lost early last year, and in its stead we sense the "feel" of the school--all that is behind it, what it means, and what it can mean---we have come to know Alma Mater.

ROW THREE: Wm. Renaldi, Samuel Perone, Ulrich Thielker, Stephen Spudich, Charles Valentine, Joseph Almborg. ROW TWO: Paul Mastrangeli, Joseph Gulotta, Joseph Ditto, Ronald Kowalke, Michael Lindstrom, Ralph Ganz. ROW ONE: Richard Flanigan, Upton Rehnberg, Robert Johnson.

Sophomores

STANDING Arnold Carlson, Charles Carlson, James Damon, Sam Maggio, Joseph Caronna, Michael Cassaro. SEATED: Donald Waldecker, James Sullivan, Karl Canavesi..

Juniors

We've been through a lot of things together; "bull sessions", "jam sessions", and "cram sessions". We are knit a little closer together in our own kind of brotherhood because we've shared each other's ups and downs, disappointments and triumphs. By this time next year we will have shared "comprehensives" and then we'll take our places on the next page and be the men who made it.

ROW THREE: Leif Ayen, Thomas Haskett, Wesley Warner, John Hallden, Ronnie Greenwood, William Bowler. ROW TWO: Thomas Vaughn, Peter Chabucos, Thomas Elmore. ROW ONE: Roger Martin, Jack Dickinson, Philip Wollin, Samuel Pernaciaro, Lawrence Carlson.
